THE PINES RESORT DEBUTS NEW LAKESIDE GRILL

Remodeled casual dining restaurant features updated décor, speedy service, fresh new menu plus pool- and dock-side delivery

BASS LAKE, Calif., May 20, 2008 – After more than two months of renovations, the new Lakeside Grill makes its debut at The Pines Resort. The restaurant replaces the former Ducey's Bar and Grill, offering enhanced decor, a fresh menu and expanded outdoor seating overlooking Bass Lake.

"Lakeside Grill offers a whole new level of service and convenience plus a menu filled with classic, casual favorites," says James Boutin, food and beverage manager at The Pines Resort. "Our previous restaurant, Ducey's Bar and Grill, was popular in its heyday, but this puts an exciting new twist on resort dining."

The restaurant's revitalized decor includes new paint and carpet in nature-inspired hues, complemented by knotty pine trim and accent pieces throughout. Poster-sized, sepia-toned prints showcase The Pines Resort of days past and highlight historic Bass Lake scenes. A new restaurant logo pays homage to its spectacular forest setting on Bass Lake.

Inside, guests are welcomed in a remodeled dining area with plasma screen televisions that keep sports enthusiasts current on the latest action. Diners order at the counter and enjoy a self-serve soda fountain. Outside, expanded deck seating provides additional opportunities for waterfront dining. Lakeside Grill staff members also deliver meals to diners who are on the docks, at the beach or relaxing around The Pines Resort pool.

A refreshed menu emphasizes great taste and expedited service, giving guests both dine-in and on-the-go options at reasonable prices. Among the tasty quick bites and signature sandwiches are beef, turkey and veggie burgers, fish and chips, light turkey and chicken sandwiches, beer-battered shrimp and a selection of fresh salads. Specialty cocktails and non-alcoholic "mocktails," plus an assortment of craft beers, wines, juices and sodas, quench guests' thirst. For dessert, diners savor thick milkshakes, sundaes and soft-serve ice cream.
